AMENDMENT

Please amend the application as follows:

IN THE CLAIMS:

Please amend the claims to read as follows:

-- 1. Apparatus including:

a tampon having a tampon string, the tampon string having a first end attached to a tampon
and a second, free end distal from the tampon; and

an attachment for the tampon string, the attachment comprising an accessory secured to the
free end of the tampon string, the accessory providing a means for locating the free end of the
